8. From the Managing Director, ELCOT Letter No. ELCOT/ITinfra/TNSDC-I/ Term-II/6th Year O&M/2023, dated 15.03.2023 and 24.08.2023.

### **ORDER:**

In the Government order first read above, administrative approval was accorded to Electronics Corporation of Tamil Nadu Limited (ELCOT) towards Operation and Maintenance (O&M) of Tamil Nadu State Data Centre (TNSDC) Phase-I, Term-II and Co-Location Data Centre for 5 year period at an estimated cost of Rs.82.79 Crore. Further, funds for the 5 year period was sanctioned and released to ELCOT vide Government Orders 2<sup>nd</sup> to 7<sup>th</sup> read above.

2. In the letter 8<sup>th</sup> read above, the Managing Director, ELCOT has informed as follows:-

- M/s.Larsen & Toubro Limited has been engaged as the System Integrator (SI) for the implementation and Operations and Maintenance (O&M) of 5 years for TNSDC-I, Term-II and the period has ended on 30.04.2023.
- The System Integrator (SI) of TNSDC-I, M/s.Larsen and Toubro Limited, has not accepted the extension of 6<sup>th</sup> year operations.
- ELCOT is operating TNSDC-II in the new building at Perungudi Complex since September 2020. M/s.Sify Technologies Ltd. is the Data Centre Operator (DCO) for TNSDC-II and the 5<sup>th</sup> year O&M is getting closed on 06.09.2025.

- The Government have decided to move the applications / websites of various Government Departments operating in the Private Data Centres to the TNSDC.
- Due to this, various Government Departments are approaching ELCOT to host their applications/websites in TNSDC. As the scalability operations and migration process are not yet complete, ELCOT has the only option to extend the O & M of TNSDC-I, Term-II for another one year (i.e. 6<sup>th</sup> year) through an alternative Operator since M/s.Larsen & Toubro Limited have not agreed to the extension.
- Under the above circumstances, ELCOT is left with the option to choose / select a Data Centre Operator (DCO) through a tender process who will be able to operate and maintain the TNSDC-I for a further period of one year (i.e. from 01.05.2023 to 30.04.2024) or the migration period whichever is less.
- The Government has directed ELCOT to identify whether any existing System Integrator (SI) already doing work for ELCOT can handle the 6<sup>th</sup> year O&M of TNSDC-I, Term-II, as additional scope of work.
- M/s. Sify Technologies Ltd. is one of the existing System Integrators for ELCOT, operating TNSDC-II and Tamil Nadu Disaster Recovery Centre (TNDRC). Therefore, selecting M/s.Sify Technologies Ltd. as the Data Centre Operator (DCO) for the 6<sup>th</sup> year O&M of TNSDC-I Term-II, will be appropriate for its smooth operations.
- M/s.Sify Technologies Ltd. was selected as the Data Centre Operator (DCO) for TNSDC-II through Open Tender process and Letter of Acceptance (LOA) in Ref No. ELCOT/IT Infra/TNSDC/OT/33046/DCOTNSDC-II/2017-18, dated 29.06.2018 was issued for a value of Rs.58.12 Crore including taxes for CAPEX and OPEX for a period of 5 years. The O&M had commenced on 07.09.2020 and the O&M period of TNSDC-II is valid till 06.09.2025.
- M/s. Sify Technologies Ltd. was requested to communicate their willingness to provide the 6<sup>th</sup> year O&M for TNSDC-I Term-II and further requested to offer their price for the same.
- Accordingly, M/s.Sify Technologies Limited have submitted their consent with optimised price details for providing the 6<sup>th</sup> year O&M of TNSDC-I, Term-II for a value of Rs.5,05,06,917/- (Rupees five crore five lakh six thousand nine hundred and seventeen only).

Sl.No.	Description	Value in Rs.
1.	The overall value of the LOA of TNSDC -II project (including taxes)	58,12,17,041
2.	25% value of LOA for TNSDC-II project (including taxes)	14,53,04,260
3.	6 <sup>th</sup> year O&M cost provided by M/s.Sify Technologies Ltd. for TNSDC-I Term-II (including taxes)	5,05,06,917

- If a new System Integrator (SI) is selected through a fresh tender process for this extended period of operations of one year or migration period whichever is less, it would be a cumbersome process for the new SI to understand and adoption of technologies, taking into the account knowledge transfer and transmit the same again to M/s.Sify Technologies Limited.
- Further, 268 applications of various Government departments hosted in the TNSDC-I can be migrated to TNSDC-II by utilizing the services of M/s.Sify Technologies Limited.
- Enhancing the work order value of TNSDC-II Project from Rs.58,12,17,041/- to Rs.63,17,23,958/- (Rupees sixty three crore seventeen lakh twenty three thousand nine hundred and fifty eight only), which is well within the permissible limit as per Rule 14(9) of Tamil Nadu Transparency in Tenders Act, 1998.
- Hence, ELCOT has decided to invoke Rule 14(9) of the Tamil Nadu Transparency in Tenders Act, 1998 and the 6<sup>th</sup> year O&M of TNSDC-I, Term-II can be given as additional scope of work to the existing Data Centre Operator (DCO) of TNSDC-II, i.e. M/s.Sify Technologies Limited.

3. The Managing Director, ELCOT has furnished the cost break-up for the 6<sup>th</sup> year Operations and Maintenance of TNSDC-I, Term-II as follows:-
