e-Mail Policy for the Tamil Nadu Government Employees

I. BRIEF BACKGROUND:

As announced by the Hon'ble Minister for Information Technology during the Budget Session 2019-2020, orders were issued vide G.O.(D)No.50, Information Technology(B) Department, dated 21.11.2019, according administrative approval for the implementation of the Project "e-Mail Accounts for the employees of Government of Tamil Nadu" to Tamil Nadu e-Governance Agency (TNeGA).

The Government, vide G.O.(Ms.)No.18, IT Department(A2), dated 21.03.2022, have issued administrative approval for up-gradation and migration of the existing e-Mail services of the Government of Tamil Nadu to the new platform (licensed Zimbra version) of National Informatics Centre, New Delhi.

Further, vide the G.O.(Ms.) No.31 IT (A2) Department, dated 27.07.2022, the Government had accorded financial sanction for the up-gradation and migration of the existing e-Mail services at a ***Capital Cost of Rs.21 crore*** (Rs.17 crore for Primary Data Centre and Rs.4 crore for Data Redundancy) ***and the Operating Cost of Rs.2 Crore per annum.***

II. INTRODUCTION

The Tamil Nadu Government e-Mail services were started in the year 2008 for Secretaries and other users within Secretariat which gradually extended to about 1,10,000 users now. Several departments are using the e-Mail Services on daily basis to communicate internally and externally.

The number of mail IDs are increasing, as the authentication of e-Office Login IDs happen through the e-mails with the domain "@tn.gov.in" and the e-Office notifications are received via the same e-Mail. With the rolling out of e-Office to more offices, the number of e-Mail IDs are expected to increase.

These factors necessitate a new e-Mail Policy encompassing the guidelines with respect to management and use of e-Mail services of Government of Tamil Nadu.

III. SCOPE OF THE POLICY

The e-Mail Solution shall be basic in nature based on the open-source tools in combination with necessary proprietary components to ensure security of the platform from cyber threats. GoTN e-Mail service will be provided over secure channels only. Web interface can be accessed over HTTPS (port443), POP service is over POP3s (port995), IMAP service is over IMAPs (port993) and SMTP service is over SMTPs (port465). Users are required to suitably modify the client software settings to use the services.

The e-Mail Solutions shall be operated by the Implementing Agency directly managing the complete set of services such as Server Administration, Security Administration, UI/UX, Configuration, Support, etc., or through any of its agents.

The Mail services shall be hosted in secured environment by ELCOT based on the requirement without compromising the required features and security. The e-Mail solution shall be offered for free to the Government officials and the expenditure shall be borne by TNNeGA from its own fund. TNNeGA can request Government for funds on case to case basis.

Minimum Space for mailbox shall be fixed as given in the table and the implementing agency can re-allocate the mail space depending on the usage without increasing the total capacity arrived for the number of IDs created.

Designation	Mailbox Space
Tappal Assistants	10GB
All other officials including Secretaries / Head of the Departments and other senior officials	2GB

IV. ROLES SPECIFIED FOR IMPLEMENTATION OF THE POLICY

The following roles are specified in each organization for using the GoTN e-Mail service. The official identified for the task shall be responsible for the management of the entire user base configured under that respective domain.

- a) Competent Authority as identified by each organization.

The Officer responsible for taking and approving all decisions relating to this policy in his organization.

- b) Designated nodal officer as identified by each organization.

The Officer responsible for all matters relating to this policy will coordinate on behalf of the Organization

- c) Government of Tamil Nadu e-mail service Implementing Agency (IA), i.e., Tamil Nadu e-Governance Agency.

For the purpose of this policy, the implementing agency is "TamilNadu e-Governance Agency" under the Information Technology & Digital Services Department, Government of Tamil Nadu.

Based on the request of the respective organizations, the IA will create IDs either based on the designation or based on the name.

V. RESPONSIBILITIES OF USER ORGANIZATIONS

1. All organizations shall implement appropriate controls to ensure compliance with the e-Mail Policy by their officials.
2. Organizations shall ensure that official e-Mail accounts of all its users are created only by Tamil Nadu e-Governance Agency.
3. Nodal officer of the user organization shall report all incidents related to the security aspects to Tamil Nadu e-Governance Agency. Tamil Nadu e-Governance Agency shall give the required support in this regard.
4. Competent Authority of the user organization shall ensure that training and awareness programs on e-Mail security are organized at regular intervals. Tamil Nadu e-Governance Agency shall provide the required support.

VI. RESPONSIBILITIES OF USERS

1. The User is responsible for any data / e-Mail that is transmitted using the GoTN e-mail service. All e-Mails / data sent through the e-Mail server are the sole responsibility of the user owning the account.
2. Sharing of passwords is prohibited.
3. Users shall be responsible for the activities carried out on their client systems, using the accounts assigned to them.
4. The "reply all" and the use of "distribution lists" should be used with caution to reduce the risk of sending e-Mails to wrong people.
5. Back up of important e-Mails /data shall be taken by the user at regular intervals. The IA shall not restore the data lost due to user's actions.
6. Inappropriate use of services must be avoided. Examples of inappropriate use of the e-Mail service are:
 - i. Creation and exchange of e-Mails that could be categorized as harassing, obscene or threatening.
 - ii. Unauthorized exchange of proprietary information or any other privileged, confidential or sensitive information.
 - iii. Unauthorized access of the services. This includes the distribution of e-Mails anonymously, use of other officers' user ids or using a false identity.
 - iv. Creation and exchange of advertisements, solicitations, chain letters and other unofficial, unsolicited e-mail.
 - v. Creation and exchange of information in violation of any laws, including copyright laws.
 - vi. Willful transmission of an e-mail containing a computer virus.
 - vii. Misrepresentation of the identity of the sender of an e-Mail.
 - viii. Use or attempt to use the accounts of others without their permission.

- ix. Transmission of e-Mails involving language derogatory to religion, caste, ethnicity, sending personal e-mails to a broadcast list, exchange of e-Mails containing anti national messages, sending e-Mails with obscene material, etc.
 - x. Use of distribution lists for the purpose of sending e-Mails that are personal in nature, such as personal functions, etc.
7. Any case of inappropriate use of e-Mail accounts shall be considered a violation of the policy and may result in deactivation of the account. Further, such instances may also invite scrutiny by the investigating agencies depending on the nature of violation.
